Created by Bobbie Kalman, author of more than 180 bestselling children's books, Crabapples are "starter" non-fiction books for primary students. Each entertaining book features fascinating, easy-to-understand information along with awesome full-color photos and illustrations on animals, sea life, machinery and many other subjects kids are curious about. They also contain the all-important glossary and index young students need to do reports. Features:

-- "Starter" non-fiction for younger readers

-- Large-size photographs and simple, easy-to-understand style

-- A multitude of subjects that fascinate children Beautiful, action-filled photographs of horses running, playing, and working make this the definitive horse book for young readers. Along with clear diagrams, the simple, well-researched text tells kids everything they want to know about the parts of a horse and distinction between species. Other topics include: -- the earliest horses -- grooming and care -- the different breeds, from Shetland ponies to Clydesdales
