Nothing is more important than being popular! Nothing! From the author of "The Good Citizen's Handbook" (80,000 copies to date) comes this totally necessary collection of real teen popularity tips from the 1960s and 70s, just in time for back-to-school. Who doesn't want to be surrounded by friends and number one on the Date Parade? Well want no more! All the secrets of popularity are revealed here, including time-tested advice on best friends (and how to get them), how to have the hippest closet in town, when to dance (and with whom), and ways to win true love - the most important popularity of all. Groovily illustrated, this locker-sized lifesaver will get even the most hopeless wallflower in the social swim in no time.
