Wendy Matarese's powerful thoughts will take you on a wonderful and very personal journey. Her work is a riveting combination of stark reality, beautiful subtlety and surprising honesty that will delight, sadden and most of all, inspire you. Wendy's life experiences as a devoted Mother, successful Professional, and courageous Survivor are woven into her writings. The wide range of emotions will simultaneously entertain and touch you. Her words will take on personal significance as you begin to "own" them and relate them to your own experiences. Come inside, buckle up and enjoy the ride.
