Through her revolutionary books and workshops, Julia Cameron has inspired thousands to pursue their creative dreams.

A heartfelt book of empowering prayers and reflections for the soul in times of crisis and transformation.

In this gift-sized book, Cameron shares beautiful prayers of empowerment followed by potent declarations and reflections on the nature of change and coping. They extend beyond affirmations to facilitate a powerful awakening of the potential of the human soul and to revitalize our abilities to transform our lives in the face of whatever the universe may put in our life's path. The audiobook, read by Julia Cameron and world-renowned composer Tim Wheeler, enhances the book and includes Wheeler's healing music.

Transitions will help guide the soul and draw readers toward the source of their inner strength. Whether read in one sitting, or used over time, this is a book no thoughtful being will want to be without. Index.

The Artist's Way --which has sold more than 1.2 million copies--began it all, offering life-changing concepts for developing creativity and facilitating personal growth. The Vein of Gold and The Right to Write drew further from Cameron's remarkable fountain of knowledge and experience to help readers reach ever-broadening horizons, setting them on the path to their creative hearts. Now, in Transitions and The Artist's Date Book, Cameron gives us two new tools and maps for the journey and the roadblocks we face along the way.
