People today are hungry for God's sure guidance in their churches. But how do they

find it? One of the strongest prophetic voices to the church today, Henry Blackaby, helps Christians grasp God's pattern for strengthening their churches, rather than relying on human ideas and methods that leave God on the periphery. They'll learn how to be sensitive individually and corporately to the effort of the Spirit, exploring the trustworthy principles by which the Lord longs to guide each congregation toward its own distinctive mission.
