Samuel. Saul. David. Goliath. Jonathan. When we think of 1 & 2 Samuel, these names and the stories that make them memorable generally come to mind. But these narratives are more than mere history. Peter Leithart offers here a typological reading of 1 & 2 Samuel as a unified book. By giving careful attention to the book's literary structures and its patterns of types and antitypes, Leithart unveils the symbolic world of Samuel's cumulative and cohesive story. His reading enhances our understanding of New Testament Christology while at the same time giving us a framework for applying the Old Testament to our own lives.

作者介绍:

Peter J. Leithart (PhD, Cambridge) is President of Theopolis Institute in Birmingham, Alabama and an Adjunct Senior Fellow at New Saint Andrews College in Moscow, Idaho. He is the author of numerous books on theology and literature, including *The Baptized Body*, *Against Christianity*, *Brightest Heaven of Invention*, and *Ascent to Love*. He has also authored articles in journals such as *Pro Ecclesia*, *Journal of Biblical Literature*, *Westminster Theological Journal*, and *First Things*. Peter and his wife Noel have ten children and a fetching collection of grandchildren.
