A delightful little nightstand companion to make prayer a natural part of every day. Greet the day with a celebration of sunrise -- and close it with deep appreciation for life's daily gifts and lessons. Here in one charming volume -- compiled by the author of the popular gift book *Graces* find an uplifting collection of readings, prayers and poems arranged in specific sections to make the joys of prayer a simple, natural part of each day. Special prayers bring motivation to Morning, and lullabies and musings help

us focus on the peace of Nightfall. Other readings offer inspiration or comfort or guide us gently through private Reflections. Bedside Prayers is a lovely little gift book for anyone who would like to make the enjoyment of daily prayer as constant as the risings and settings of the sun.
