Peter Martyr Vermigli (1499-1562) is considered to be one of the most important Italian reformers of the early modern period. Martyr is the subject of renewed interest for historical and theological scholars. "The Peter Martyr Library", a series of critical English translations of the chief works of Peter Martyr Vermigli, allows his own words in context to speak for themselves. This volume contains 297 prayers based on 149 "Psalms" written by Vermigli during the political and religious turmoil of the Reformation era.
