出版时间:1988-05

装帧:Paperback

isbn:9780664240585

In this second volume of Readings in the History of Christian Theology, William C. Placher begins with a decisive transition, the Reformation of the sixteenth century, and opens with an excerpt from Martin Luther's The Freedom of a Christian. From the sixteenth century into the twentieth, he presents significant selections from works of the principal Protestant and Catholic thinkers, including present-day writers such as Gustavo Gutierrez and Rosemary Radford Ruether.
