出版时间:1996-5-1

装帧:Paperback

isbn:9780226470573

Soren Kierkegaard's influence has been felt in many areas of human thought from theology to psychology. Nearly 100 of his prayers are gathered here, illuminating his own life of prayer and speaking to the concerns of Christians today. The second part of the volume is a reinterpretation of the life and thought of Kierkegaard. Long regarded as primarily a poet or a philosopher, Kierkegaard is revealed as a fundamentally religious thinker whose central problem was that of becoming a Christian and realizing personal existence.
