装帧:Paperback

isbn:9780824820909

Praying for practical benefits is a common religious activity in Japan. Basing their work on a fusion of textual, ethnographic, historical and contemporary studies, the authors of this volume demonstrate that far from being marginal, the concepts and practices surrounding "genze riyaku" lie at the very heart of the Japanese religious world. The authors discuss the economic and commercial aspects of how and why institutions promote practical benefits, drawing attention to the dynamism and flexibility in the religious marketplace. The authors also examine the business of guidebooks, which combine travel information with religious advice, including forms of prayer for the protection against embarrassing physical problems and sexual diseases.

作者介绍:

Ian Reader teaches at the Scottish Centre for Japanese Studies, University of Stirling, Scotland, and until recently was also a senior research fellow at the Nordic Institute of Asian Studies, Copenhagen.

George J. Tanabe, Jr., is professor and chair in the Department of Religion, University of Hawai'i.
