Celtic prayers have always offered everyday needs to God in a straightforward way. Power Lines incorporates the insights of the Celtic tradition into a series of modern prayers about the concerns of work-whether paid, unpaid, in factory, home, or office. This book opens up Celtic patterns of prayer that focus on the work we all do in the presence of God. Chapters in this book provide prayers for various times of day (morning, the working day, and evening) as well as some of our emotional responses to work (achievement and disappointment). A special chapter of litanies provides useful prayers and responses for congregations and other groups who wish to make their work concerns part of their worship. Power Lines concludes with a selection of classic prayers from Augustine, Francis, Teilhard de Chardin, and many others.
