Over the years, Calgary's Cookbook Co. Cooks has become a centre for culinary knowledge in Western Canada. Gail Norton shares her favorite recipes--her own and those created by a variety of chefs. Contributors include David Forestell, Victoria Adams, Michael Allemeier and Geoff Last as well as a host of others. And the recipes range from the best way to pre-prepare stock to Stilton Shortbread and Savoury Tarte Tatin with Cognac Pork Tenderloin. Each recipe is designed to make it easy for even a

novice cook to tackle.
