Product Description

This 13 week study goes back to the biblical basics of prayer, cleaning out myths about prayer to rev up a powerful, ongoing connection to God that can invigorate every aspect of a Christians life. The author tackles the complex theological questions If God is sovereign, why pray? If prayer is not a way to change Gods mind, what is it? Its a way, she illustrates, for God to send His power and provision into the world through His people. The study takes a detailed look at prayers purpose, process, promise and practice.
