It's the little changes that make a BIG difference in a person's spiritual life This simple guide was written to help readers to make those little changes and cultivate a deeper relationship with God. Whether readers are committed Christians or just seeking, this book will encourage them to discover their significance in God. Since life begins and ends with God, what better time than now to get to know Him even better? Entries include:\* Think like a child\* Give yourself time to grow\* Open your heart\* Live for others\* Smile into the face of God\* Learn to take "no" for an answer\* Believe--even when you don't see\* Sit still for a sunsetLIFE'S SIMPLE GUIDE TO GOD reminds readers that God is more than ready to dynamically relate to people who truly seek Him with all of their hearts.
