The land was one of the most vibrant symbols for the people of ancient Israel. In the land-gift, promise, and challenge-was found the physical source of Israel's fertility and life, and a place for the gathering of the hopes of the covenant people. In this careful treatment, Walter Brueggemann follows the development of his theme through the major blocks of Israel's traditions. The book provides a point of entrance both to the theology of the Old Testament and to aspects of the New Testament-even as it illuminates crucial issues of the contemporary scene. In this fully revised version, Brueggemann provides new insights, as well as updating the discussion, notes, and bibliography.

作者介绍:

Walter Brueggemann is William Marcellus McPheeters Professor of Old Testament Emeritus at Columbia Theological Seminary. He is the world's leading interpreter of the Old Testament and is the author of numerous books, including Westminster John Knox Press best sellers such as Genesis and First and Second Samuel in the Interpretation series, An Introduction to the Old Testament: The Canon and Christian Imagination, and Reverberations of Faith: A Theological Handbook of Old Testament Themes.
