It takes "firm roots and strong limbs" to live through war, accidents, cancer, Alzheimer's disease and the death of loved ones and still have a positive outlook on life. From the 1020s to the present, "Firm Roots--Strong Limbs" takes us through one family's love of God, family and country, and how they deal with the joys as well as the hardships in their lives. Most readers can identify with the universal themes of Alzheimer's disease and death, breast cancer, prostate cancer, and bone cancer. Experience the pride of serving country and the joys of teaching troubled youth.
