Tyron Inbody has taught the basics of Christian theology for more than twenty-five years. Having seen over the years what issues and questions his students bring to class, he now offers this engaging, accessible introduction to all the major beliefs of the Christian faith. Meant especially but not exclusively for readers new to theology, Inbody's *Faith of the Christian Church* covers twelve traditional areas of Christian teaching: theology, revelation, faith, God, creation, suffering and evil, humankind, Jesus Christ, salvation, church, sacraments, and the end times. Inbody also dives into provocative topics not usually treated in introductory texts -- creationism, the devil, miracles, the virgin birth, and more. The book's broad-ranging perspective, which intentionally defies labels, commends it to individuals and small groups from many church traditions. Quote boxes and illustrations drawn from popular culture make the text visually interesting and enjoyable to read. Inbody does not hide his own stance on issues but presents a full range of interpretations and openly points readers to other possibilities they can pursue. The *Faith of the Christian Church* offers just enough questions to provoke reflection and just enough answers to encourage readers to form their own grasp on the Christian faith.
