A comprehensive astrological guide to life, relationships and lovers, *Astrology for Lovers* is a seminal guide to learning how to interpret the subtle and notso subtle attributes of both your own and your partner's astrological sign in order to create a better understanding of one another.

Each person has a unique footprint in the map of the cosmos, and *Astrology for Lovers* guides the reader through each of the Sun signs in an enlightening and comprehensive manner. Each sign is given a lengthy description of its characteristics, as well its creation myth. Greene then expands upon the sign's shadowy side, and finally explicates the fine points of the individual sign as a lover. *Astrology for Lovers* will teach readers not only critical aspects of their own motivations, but also provide invaluable insight into the inner workings of their lovers.
