Sweet simplicity and beguiling artwork combine in books any grandma or grandpa will love. A perfect surprise for Mother' s or Father' s Day!

What' s not to love? When a small child visits with Grandma, she has the best time eating pretend breakfast in bed, doing headstands in yoga, and exploring the flowers

in the garden. And when a little one is with Grandpa, he has lots of adventures: learning to make a grass whistle, burying treasures in the sand, and making up stories together. With fresh colors, delicate patterns, and delightful characters, these Super Sturdy Picture Books by Lizi Boyd capture the simple moments shared and treasured by grandparent and grandchild.
