作者介绍:

Former-director John Leighton made a selection of hundred masterpieces of the permanent collection of paintings of the Van Gogh Museum. This catalogue is an exciting introduction to many of the world-famous paintings by Vincent van Gogh. Images of each painting as well as full size detailed pictures are printed on heavy quality paper. Attention is also devoted to recent acquisitions, like work by Monet and Pissarro, and to paintings of other artists from the period 1840-1920. Amsterdam (Van Gogh Museum) 2003. Available in nine languages - now also in Russian and Chinese. Edited by Sjraar van Heugten, Marije Vellekoop, Roelie Zwikker.
