A powerful editor is found dead in the newsroom—stabbed with the very spike he would use to kill stories—and in the cutthroat offices of The New York Globe , anyone could be the murderer. Could it be the rival newspaper tycoon? The bumbling publisher? The steely executive editor?

As more bodies turn up, it will fall on Priscilla Bollingsworth, a young and ambitious NYPD detective, and Jude Hurley, a clever and rebellious reporter, to navigate the ink-infested waters of the case. A cunning and pitch-perfect portrait of the declining newspaper industry, this rollicking novel entertains from the first to the last.
