isbn:9781416904922

Matthew Reinhart's intricately engineered classic retelling of CINDERELLA celebrates the original story with fresh new artwork with a timeless feel. In six spreads and minibooks, Reinhart brings to life some of this well-loved story's most memorable moments, from Cinderella doing chores and the appearance of the fairy godmother to the transformation of mice into steeds and the pumpkin into the carriage. The colourful artwork and incredible paper-engineering bring this favourite fairy tale to life - sure to enchant parents and children alike.
