Autumn sees the publication of a new title in the series "A Sense of Place", this time on Vietnam. Designed as an innovative mix of travelogue and armchair travel, the book is presented as an ideal photo album - the kind of album that everyone wishes they had the time or skill to put together, without the hassle of sifting through crumpled leaflets or fuzzy photos of monuments hidden behind the heads of strangers. Packed with evocative images and perceptive texts that capture perfectly the ethereal and distinctive atmosphere that pervades Vietnam, this highly visual volume will be lapped up by anyone with a love of travel and photography.
