## A Killing the Buddha Anthology

The second collection to spring from KillingTheBuddha.com, Believer, Beware presents true tales of sex ed in Catholic school, witches in Kansas, sects and the city, Buddhists in the barbershop, Sufis under your nose, an adolescent Jewish messiah in Queens, and more.

In a world riven by absolute convictions, these ambivalent confessions, skeptical testimonies, and personal revelations speak to the subtler and stranger dilemmas of faith and doubt-of religion lost and found and lost again.
