After 20 years, Mona Kuhn returned to her native country, to reinterpret her past. Photographed entirely in Brazil, mostly in the rainforest and city surroundings, Native employs the green, gold and pink underlying palette of the country. In a contrast to her previous series, Native employs nature as a mirror of her encounters with people and human emotions.

“This work began as a personal journey. Metaphorically, I was thinking of a bird that flies back into the forest, searching for its childhood nest. The images here are a creation of my abstracted wishes and dreams. As I was searching, instead of home, I

found an empty past, just traces of it. Yet, my journey was filled with new friendships, and discoveries made along the way.” (Mona Kuhn)

评论

20年后回到祖国巴西，Mona Kuhn通过影像重新审视个人的历史。“我想象自己是一只飞回丛林的鸟，寻找童年的巢。在那里，等待我的不是家，而是空荡的过去。即便如此，旅程却带给我新的友谊，与新的探险。”
