A fun way to dance like a ballerina from Baby Genius - one of North America's top-two children's music brands. The Baby Genius characters are now starring in their own line of books Frankie the elephant and her elephant friends star in a ballet. Each page includes an illustration featuring one little, two little, three little, up to ten little dancing elephants. Readers can count the elephants and learn how to move just like them. Simple text explains to readers (and their parents) how to strike each pose.
