Jack Vettriano's erotic, provocative and emotionally charged paintings have made him one of Britain's most successful contemporary artists. Collected by celebrities the world over, his exhibitions have regularly sold out and paintings now change hands for millions of pounds. This beautifully packaged gift-sized collection features Jack's men.

Depicted against a backdrop of bars, clubs, racetracks and bedrooms, the men are often mysterious, hard-edged and sometimes vulnerable. It is a timeless world of drama, passion, secret liaisons and hedonism, where men chase dreams and play for high stakes.
