

# Transcript Exercises for Learning Evidence

[Transcript Exercises for Learning Evidence\\_ 下载链接1](#)

著者:Paul Bergman

出版者:West Group

出版时间:1992-8

装帧:Paperback

isbn:9780314011435

Provides a unique, realistic setting for evidentiary analysis; narrows the gap between theory and practice. Consisting primarily of transcripts, the book allows students to

analyze and apply rules of evidence in question and answer dialogues. An excellent supplement to existing evidence course books for use in the classroom.
