An ash-gray dog with a white blaze on its forehead burst onto the rough terrain of the market on the first Sunday of December...When a witch doctor appears on the Marquis de Casaldueiro's doorstep prophesizing a plague of rabies in their Colombian seaport, he dismisses her claims - until he hears that his young daughter, Sierva Maria, was one of four people bitten by a rabid dog, and the only one to survive. Sierva Maria appears completely unscathed - but as rumours of the plague spread, the Marquis and his wife wonder at her continuing good health. In a town consumed by superstition, it's not long before they, and everyone else, put her survival down to a demonic possession and begin to see her supernatural powers as the cause of the town's woes. Only the young priest charged with exorcising the evil spirit recognizes the girl's sanity, but can he convince the town that it's not her that needs healing?

评论

hahah this ending wtf?

different from One Hundred Years of Solitude, this one is more grounded. Still, between dreams and reality, believes and truth, love and fear, religion and humanity, it swtiches my train journeys to and back from shanghai into a fantasy.

深情又魔幻。孤独得太冷静，爱情来得又炽烈而纯粹。宗教和种族的维度拉深了内涵。跟百年孤独情绪上有某些相似的地方，浓缩于如此短的篇幅内。
