Featuring more than 200 photos, drawings, and historical images, this official full-colour companion book captures the film's amazing visuals, and details the complexity of bringing Dan Brown's bestselling thriller novel to the screen. In *Angels & Demons*, Harvard symbologist Robert Langdon (Tom Hanks) is summoned to Rome to embark on a frantic hunt through sealed crypts, dangerous catacombs, and deserted cathedrals. What he uncovers is unimaginable. The Illuminati, a secret society whose existence dates back to the 1700s, is alive, well, and murderously active, masterminding a plot to blow up the Vatican. *Angels & Demons: The Illustrated Movie* offers a behind-the-scenes look at the stunning production design and process of filming the famous locations featured in the movie. Contents include: *

- Never-before-seen storyboards and drawings used to plan the film's action scenes *
- Contributions from all key participants of the movie, including Ron Howard, Tom Hanks and Dan Brown *
- In-progress shots of the re-creation of the Sistine Chapel and its artifacts *
- Details on creating intricate sets for St. Peter's Square, the Pantheon, and the Piazza Navona

看电影背后的故事有时比看电影本身更有意思。本书从创作到服饰再到特效，详细的介绍了《天使与魔鬼》这部电影拍摄出来的方方面面。

电影和小说中理解不能的东西 看过这书一下就豁然开朗了

好看啊，个人喜欢神秘感强的宗教
