This is the perfect gift book for any man who loves watches. Internationally, there are 27 watch-related magazines. There has been a resurgence of interest in watches with the Swiss watch market up by 30 per cent year on year. In May 2006, watches accounted for one billion Swiss francs of export. The US is the industry's largest single export market. Future titles in this series include: "Shoes", "Teddy Bears", and "Vintage Gems".
