During the fifteenth century, England was split in a bloody conflict between the Houses of York and Lancaster over who should claim the crown. The civil wars consumed the whole nation in a series of battles that eventually saw the Tudor dynasty take power. The much admired historian Desmond Seward tells the story of this complex and dangerous period of history through the lives of five men and women who experienced the conflict first hand. In a gripping narrative the personal trials of the principal characters interweave with the major events and personalities of one of the most significant turning points in British history.

评论

玫瑰戰爭的各種麻花，看百科一類的很難理順，但看完這本書之後，就對戰爭的起因，經過有了很細緻的瞭解。至於結果，自己去思考！
