In this new hard-boiled science fiction thriller, Juno, having been booted off the police force, is barely getting by as a low-level bagman and photographer for the scandal rags. But it gets worse: his wife is in critical condition at the hospital and Juno doesn't have the money to pay her bills. Desperate for cash, Juno agrees to help his ex-partner, Maggie Orzo, solve a difficult case. A young girl sits on death row, accused of brutally murdering her own parents. She's confessed to the murders, but Maggie isn't buying it, so she sends Juno out to get some answers. Working with Maggie, Juno comes into contact with Maggie's new partner, Ian. As dirty as they come, Ian is eager to rise in the police force no matter what the cost. Somehow Ian, a vicious serial killer, and the girl on death row are all connected. It is up to Juno and Maggie to find out how before more people die.
