Fold, launch, and make a little mischief with hundreds of miniature flyers perfect for sending over a row of cubicles or down a corridor. Each zippy, palm-size plane in "365 Tiny Paper Airplanes" is based on one of 30 models- including the Monarch, the Cloudskipper, the Sonic, the Lightning, and the Mini World Record-and boasts vibrant full-color graphics. Detailed, easy-to-follow instructions for every model make folding a breeze. From paper airplane world record holder Ken Blackburn and engineer Jeff Lammers, authors of the bestselling World Record Paper Airplane "series.
