The holistic bible for cat caregivers—now updated and expanded .

The Natural Cat was one of the first books to advocate natural cat care when it was

originally published in 1981. Now fully revised and expanded to address the many new discoveries in holistic pet care, this edition includes:

- A new introduction detailing the latest advances in holistic care for cats
- Updated statistics, new diet guidelines, and health care recommendations, including the latest on vaccines
- An updated resources section with suggestions for finding a holistic veterinarian and advice on how to deal with conventional veterinarians
- A complete overhaul of language to reflect new attitudes toward caregiving

Combined with classic and reliable advice on grooming, neutering and spaying, common feline health problems, elder cat care, behavioral problems, and emotional bonding, the latest information makes this edition of *The Natural Cat* the only handbook pet owners will need to naturally nurture a happy, healthy cat.
