作者介绍:

Daniel K. Gardner, Dwight W. Morrow Professor, specializes in the intellectual and cultural history of pre-modern China. He received his A.B. from Princeton University and his Ph.D. from Harvard University. His most recent books are *The Four Books: The Basic Teachings of the Later Confucian Tradition* (Hackett Publishing, 2007), and *Zhu Xi's Reading of the Analects: Canon, Commentary, and the Confucian Tradition* (Columbia University Press, 2003), an extended analysis of how--and why--different commentators over the centuries read the enormously influential text of the Analects differently.
