"Word 2002: Core & Expert" from Glencoe's Professional Approach Series provides students with real-world context for learning software applications. Numerous screen shots and displays of toolbar buttons aid instruction. Numerous exercises and applications reinforce every skill taught. "Word 2002: Core & Expert" presents exercises

in real-life business situations so students get hands-on experience working on actual projects - the best way to prepare them for the on-the-job challenges they'll face. A comprehensive instructional package allows instructors to tailor the program to teaching styles, lab needs, student objectives, and student learning styles.
