"Baby Touch: Squeaky Book" features a large squeaker on the cover that appears throughout the book and a range of touch-and-feels to delight young children. Have fun pressing the squeaky noses on the happy animal faces and helping your baby to touch the variety of textures on the sturdy pages. The bright, bold artwork additionally features new and exciting characters to stimulate baby's senses. "Baby Touch" is an innovative and award-winning range that provides a sensory feast for babies, stimulating their growing minds and active senses in the developmental steps from birth. This range of books are perfect for a baby and adult to enjoy together. It's never too early to start reading with your child. Cuddling up with a book can be a special

time. Vary the intonation of your speech to excite your baby. Play games with the book and talk about the animals and faces that appear throughout the "Baby Touch" range.
