New Light on Manichaeism provides the latest discoveries and insights into the Manichaean religion throughout its more than one thousand year history, ranging from glimpses into the life and thought of Mani himself, to developments in doctrine and practice in the religion's North African, Iranian, Central Asian, and Chinese settings. The volume includes contributions from the leading scholars in the field, offering new reconstructions of Manichaean literary and artistic productions, and innovative analyses of the religious, social, and political dynamics that shaped the rise and fall of this world religion.

作者介绍:

Jason David BeDuhn, Ph.D. (1995) in Comparative Study of Religion, Indiana University, is Associate Professor of Religious Studies at Northern Arizona University, author of The Manichaean Body (Johns Hopkins 2000), and co-editor of three previous volumes in the NHMS series on the subject of Manichaeism.
