This book helps your child learn about animals through interactive games. Teach your child all about animals with this interactive book and CD-ROM set. Read the book together, fun colorful pages will teach them all about animals. Then have even more fun playing the 5 games on the CD-ROM. Can you match the mothers to their babies, find the odd one out, follow the jungle trail and roar like a tiger? Turn on the computer and start learning! Perfect for teaching early concepts and introducing first computer skills to young children. This book supports National Curriculum Foundation Stage.
