Hands-on fun for you and your toddler as you learn about things that go with this tabbed board book from "My First". With lots of colorful pictures, fun-filled questions and amazing vehicles, your toddler will love learning about things that move using this tactile board book. Read it together and help them turn the pages using the chunky picture tabs; count the blue cars, and explore the fire engines, tractors and trains! A great way to teach your child about things that go.
