著者:Leo Finkelstein

出版者:McGraw-Hill Science/Engineering/Math

出版时间:2005-02-18

装帧:Paperback

isbn:9780073529462

"Pocket Book of English Grammar for Engineers and Scientists" is geared specifically to the needs of engineering and science practitioners and students, although it is also appropriate for anyone doing technical or business writing. The book is unique among grammar manuals not only because of its straightforward, simplified organizational structure, but also because of its use of innovative tools and examples.
