The popular interactive series returns! Can you save Haley from loserdom?

Sixteen-year-old Haley Miller is back at Hillsdale High school after the holiday break, and she's finally got her driver's license! But something fishy is going on. The few people she trusts are now acting less than trustworthy, and she's beginning to wonder: is she turning into an outcast? Haley was looking forward to her best spring break yet, but now it's not clear she'll get an invite from anybody. Maybe readers—with their excellent decision-making skills—can guide Haley back to her rightful place in the social strata. Anything's possible in this fun series where Choose Your Own Adventure meets Gossip Girl.
