China has now taken Great Britain's place as Africa's third largest business partner. Where others only see chaos, the Chinese see opportunities. With no colonial past and no political preconditions, China is bringing investment and needed infrastructure to a continent that has been largely ignored by Western companies or nations.

Traveling from Beijing to Khartoum, Algiers to Brazzaville, the authors tell the story of China's economic ventures in Africa. What they find is tantamount to a geopolitical earthquake: The possibility that China will help Africa direct its own fate and finally bring light to the so-called "dark continent," making it a force to be reckoned with internationally.

作者介绍:

Serge Michele is West Africa correspondent for the French newspaper *Le Monde*.

Michel Beuret is Foreign Editor of the prominent Swiss magazine *l' Hebdo*.

Paolo Woods is an award-winning photojournalist. His photographs have appeared in *Time*, *Newsweek*, *Stern*, *Le Monde*, *Geo*, and many other international publications.

目录: Intro

评论

A bit outdated, but a truthful reveal of the Chinese bunker mentality. Chinese soft power has a long way to go.

---

開篇幾段描寫的畫面感很強。哦，原來Serge Michel和Michel Beuret是記者啊，難怪。不過這些老美還是不能很客觀地看待中國的成長，一提到北京，語氣就變得酸溜溜。

---

这本书不是经典，对于中国在非洲的形象和将要扮演的角色也并没有做出本质的思考，但是含有大量有价值的参考信息。法语到英语的翻译做的很不错。
