Review

"Gives an excellent presentation of the contributions of epigraphy to the study of one period of Greek history."--Classical Philology

"An invaluable teaching aid--an introduction to whole areas of ancient life."--The Classical Review

"On every page the book attests [the editors'] mastery of the learned literature and their expertise in both epigraphy and history."--Antiquaries Journal

"Has already been a standard work of reference for both scholars and undergraduates for two decades and requires no additional recommendation."--Classical Bulletin

Product Description

This revised edition includes ninety-five texts covering the period from 750 B.C. through the end of the Peloponnesian War in 404 B.C. A new addenda and concordance bring the book completely up to date.
