Still aching over his wife's death, Cody Gunner can't bear the thought of also letting go of his brother, Carl Joseph, who suffers from Down's Syndrome. Cody wants his brother at home where he will be safe and cared for, not out on his own in a world that Cody knows all too well can be heartless and insecure. So, when Carl Joseph's teacher, Elle, begins championing his independence, she finds herself at odds with Cody. But even as these two battle it out, they can't deny the instinctive connection they share, and Cody faces a crisis of heart. What if Elle is the only woman who can teach Cody that love is still possible? If Cody can let go of his lingering anger, he might just see that sometimes the brightest hope of all lies, JUST BEYOND THE CLOUDS.
