A stolen jewel. Some frozen hearts. And a fish scale. Sounds like a case for Wilma Tenderfoot! Wilma Tenderfoot dreams of one day becoming assistant to the world-famous and very serious detective Theodore P. Goodman. But the last thing Mr Goodman wants is a small and slightly accident-prone sidekick - especially one with an over-friendly beagle called Pickle who keeps eating all the clues. Still, be warned - Wilma Tenderfoot may be small, but she is very determined!
