"Grugel... has produced a first-rate introduction to the development dilemmas confronting the peoples of the Caribbean and Central America.... The book will enlighten general readers with an interest in the politics of geopolitical and economic dependency. And for appreciating the remaining difficulties facing small nations attempting equitable and harmonious development, it will remind Caribbean and Central American specialists just how valuable a good comparative analysis can be." --Foreign Affairs ..". excellent comparative survey of the political economy of the Caribbean Basin... " --Choice This wide-ranging survey of the political economy of the Caribbean Basin and its position in the emerging global order also assesses the attempts by revolutionary regimes in the region to create alternative models of development and the reasons for their failure.
