Three novels. Two worlds. One Story. Now in a stunning, four color visual edition. Nothing is as it seems when dreams and reality collide. "Black" - A virulent evil has

been unleashed upon the people of the earth. The only man who can stop it is Thomas Hunter, an unlikely hero whose life is stretched between two worlds. "Red" - In one world, Thomas Hunter is a battle-scarred general commanding an army of primitive warriors. In the other, he's racing to outwit sadistic terrorists intent on creating global chaos. "White" - Thomas Hunter has only two days to survive two separate realms of danger, deceit, and destruction. The fate of both worlds now rests on his ability to shift realities through his dreams.
